[Forgot your password?](#)

If successful, you will now be logged into the website and should be taken to the Members section. Or you can click on the Members Section option which will have appeared in the top right menu.

How to reset your password

At the login screen you can click the forgot password link, or in the members section under the Rest your password section, click Reset Password button.

Reset you password

Use the button below to reset your password. If you need help please email treasurer@orkneycameraclub.co.uk

You will be prompted to enter your membership number, then click Reset password button.

To reset your password, please enter your email address or username below.

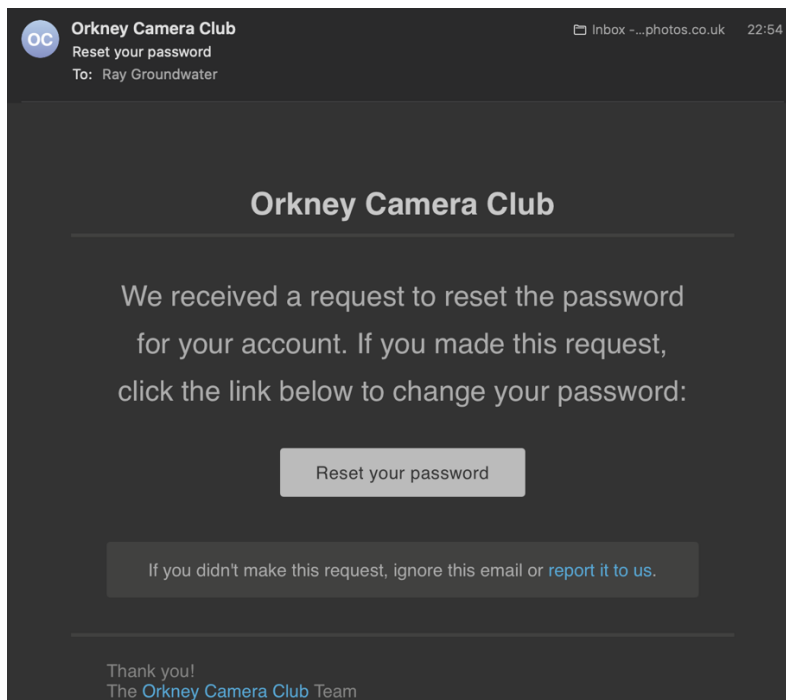

Reset password

It will check the membership number and send an email to the address associated with the membership number.

If an account matching the provided details exists, we will send a password reset link. Please check your inbox.

Check your email, (including the Junk folder) for an email from Orkney Camera Club with a subject of Reset your password.

Open the email and click the Reset your password button.

This will open a web browser window,

Enter your new password and re-enter it below to ensure it is the same. (It may say you need a more complex password if it is not secure enough.)

Then click Change password button.

New Password *

Confirm Password *

Change password

If successful you should see the following message:

You have successfully changed password.

What do I do if I get stuck or need help.

Things happen and don't always work the way they are meant to.

Try a different browser. (I have found that Safari on Mac OS can cause random issues and chromium browser like Chrome and Edge work better.)

Email treasurer@orkneycameraclub.co.uk and let me know the problem. I can reset your password from the magical IT portal. 😊
