

## How to upload images for a competition.

In the members section of the website under the Competition Uploads section click the Upload button.

### Competition Uploads

Use this service to upload your images for the competitions.

Upload

You will see some text to read and links to the competition rules etc.

The 1<sup>st</sup> option is if you consent to sharing your photos on the website, Facebook page and local newspaper.

Do you consent to sharing your images on the website, local paper, and social media?

Select

Select

Yes

No

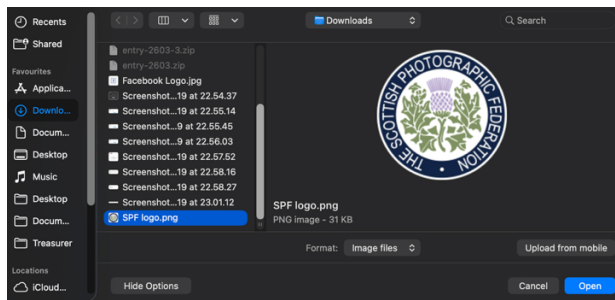

Under Image 1 click Choose File button

**Image 1:**

Choose File No file chosen

Browse your computer for the 1<sup>st</sup> image you want to enter and select/open it.

This will vary depending on the operating system you have on your device. Below is an example on Mac OS.

The image name will then appear after the Choose File button

### Image 1:

Repeat these steps to add Image 2, 3 etc up to 6 if required. (you do not have to upload 6).

When you have the images uploaded it is very important to scroll down until you see the Submit Image button. Click this button to submit the images uploaded. If you don't your images will not be submitted to the competition.

### Image 5:

### Image 6:

If it is successful you will see green text at the top of the page letting you know the images have been submitted.

## What do I do if I can't get the upload to work?

You can try a different browser, under testing I found Safari didn't always upload the images and the progress bar would get stuck. Switching to a different browser fixed this issue. (Chromium browsers like Edge and Chrome worked for me.)

You can email the [competitions@orkneycameraclub.co.uk](mailto:competitions@orkneycameraclub.co.uk) with the images for the competition.

If there are ongoing issues, please also email [treasurer@orkneycameraclub.co.uk](mailto:treasurer@orkneycameraclub.co.uk) to let me know of the issues.
