Results of the Monmouth bipartite challenge
B2 - Islesburgh "open subject"

18 Dec Xmas event

A look at members favourite images along with some Xmas nibbles

On-line events are shown in blue
Deadlines for entries are shown in red

Competitions

Competitions are simply a framework for getting constructive feedback about images. Club competitions have four sections: Prints (Mono & Colour), Digital (Mono & Colour). The four annual competition sections are then divided into four categories: *People, Places, Natural History & Miscellaneous.*

Full competition guidelines can be found on the club's website:
<https://www.orkneycameraclub.co.uk/>

Photo Day Trips

The Club tries to organise monthly photo visits to sites or places of interest. These day-long visits can include trips to other islands.

See when and where we are going next:
[Facebook group](#)

Picking brains and sharing ideas

We hope to be able to answer any photographic queries either informally (maybe at tea break time), during meetings or via the Facebook page or website. We will also try to include educational and discussion evenings in the programme.

Please let the committee know if you have any suggestions or ideas for club evenings. Or maybe even contribute to the programme one evening.

2026

15 Jan Medium & large format **UPSTAIRS**

Gari Beet + ???? Will provide an introduction to this form of photography

29 Jan Local Speaker - Ingrid Grieve

"The work of Ingrid Grieve" who is a well respected local artist based in Orphir.
